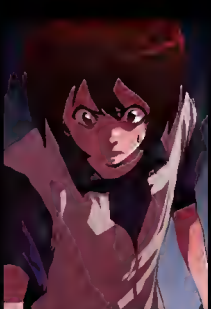
Chapter 9
[Mansion 7]



Make sure it's UNBEARABLE or I won't talk!
TORMENT ME
You have 5 hours until the pain starts after that potion
There's plenty of time
...
...
A long time ago
...

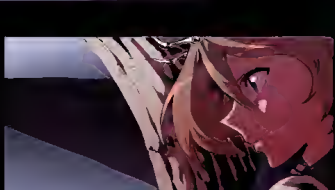
I watched a captivating movie
the protagonist never spoke a single word while being tortured
putting his life before the mission
SUBLIME SACRIFICE
Since then, it has been my dream
to be the protagonist of that scene
...!!

What is this crazy talk
she wants me to torture her?
Just to get the answer I want?
I'm not going to do anything like that!
Like you said, there's plenty of time
In the next 5 hours
I will convince you!!

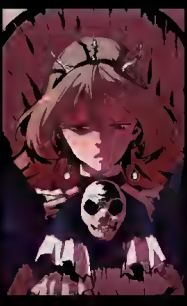
SWOOP

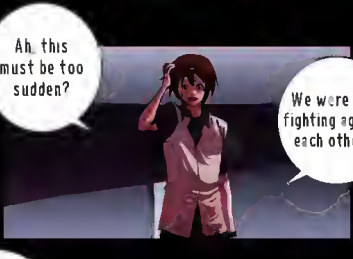
PLOP

Well then...
Give it your best shot

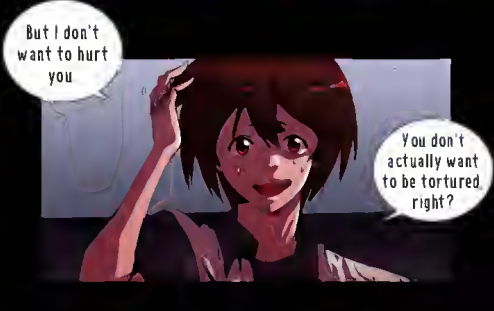


S-Shall we start with sharing our names?
My name is Hyun Soo Lee Hyun Soo





Ah, this must be too sudden?
We were just fighting against each other...



But I don't want to hurt you
You don't actually want to be tortured, right?

Don't you want to go back to our world?
Torturing is going to leave scars on your body
That's not going to look good and your parents would be sad

R-Right I think I liked you to begin with
I don't want to hurt you
I love you!
About an hour had passed when I reached a point where I didn't even know what I was saying
Then I realized it
The Queen
wasn't even listening to me

At that moment
The memory of cutting my finger came back to me
and the HORROR
rushed into me
But my mouth
ran out of words of persuasion
The watch mercilessly
shortened the hours we had

You should
realize by now
You can't open my mouth
with WORDS
Suddenly something
occured to me
I drank the potion after the fight with Jung Hun
And if the Queen drank hers before coming to back to the room?

The Queen should start to feel
hunger and pain first!
If that is the case...
I will use that time to my advantage!
